“ I am so very sorry for your loss. It is tragic to lose someone so young! I am sure that she has left wonderful memories for you to look back on. As you reflect on your loss, please take comfort in the scripture at 2 Thessalonians 2:16,17. May God strengthen you and bring you comfort during this difficult time.

“ Hope you were an extremely special and wonderful young lady and to know was a privilege. As we say a fond farewell to you today, we will keep you and your amazing family in our hearts and thoughts. The light and beauty you brought to this world were unfaltering and the joy, happiness and kindness you spread were unending.

Although you may have left this world in body, your spirit and love will remain in our hearts forever.

Suzie, Ian, Maddy and family, we are thinking of you on the saddest of all days as you say good bye to your precious young lady and will hold you in our thoughts, hearts and prayers.

Goodnight precious angel. Keep shining down on us from up above and spreading the unique sparkle only you could bring.

Love you to all, today and always,

Emma and Jase xxxxxxxx

“ We were so privileged to have known and shared time with Hope, she was such a kind and beautiful person. She was always chatty, friendly and welcoming to us when we visited Florida. She always had a beautiful smile and was a strong positive, caring, polite young woman and it was our honour to have spent time with her.

We are deeply saddened and she will be greatly missed, but Hope will never be forgotten, she has left footprints of love and sparkle on our hearts.

We hope Ian, Suzie and Maddie can in your sorrow hold onto the thought that Hopes life was lived with so much love, LOVE NEVER ENDS, but goes on forever.

Our prayers and thoughts are with you today and every day.

God Bless you all

Lots of LOVE
