“ *Jim Storms - old friend of Mary's from OAK PARK RECREATION DEPARTMENT posted a condolence Mary, I hope the years have been good for you. I have lived with my wife and 3 boys in Minnesota for the last 25 years. I'll never forget those great years in Oak Park with the great staff of the Recreation Department. I switched careers from Parks and Recreation to Computers and have been the Director of Technology for a number of businesses and non-profit organizations over the past 25 years. My last job was working for Catholic Charities as Director of Technology for 11 years. I've just left that job to work my last 10 years for myself as a Technology consultant. This will give me time again in my life to spend time with my wife and boys, spend time in the Outdoors of Minnesota, and maybe play my guitar a little more again. Again the very best to you Mary, and your family. Enjoy them, and Florida! Jim Storms 17125 Franchise Way Farmington Minnesota 55024 952 431 7840*
