“ Becky,

All of us who cared for Tom and know you are grieving with you. Rarely, one has that patient who gives far more to you than any care you provide them. Tom was that person. His gentle spirit touched us all. Thank you for sharing him with us.

Blessings always, Lissa

Becky,

I am so sorry for the loss of Tom. He truly had a gentle spirit about him and I will greatly miss sharing conversations with him in the middle of the night. Such a wonderful man; and you two - a wonderful couple. It was an honor to take care of him.

Healing thoughts your way, Laura
