

Howard Ray Nail

December 17, 1944 - April 12, 2022

On April 12, 2022 Howard “slipped the surly bonds of earth to touch the face of God.” He passed peacefully at home with his wife at his side.

Howard was born December 17, 1944 in Woodlawn, Virginia, to Stella and Robert Ray Nail.

Howard was preceded in death by his parents and is survived by his wife of 42 years, Joan Nail, his children, Joseph Anthony Nale, (Kassondra), Jessica Lauren Sharone, and Bryan Ellison Nail (Nikki), and his sisters, Margaret Eastridge, and Peggy Sisk. The light of his golden years were his grandchildren, Aubrie Nicole Nail, Carter Daniel Sharone, Camilla Joleigh Nail, and great granddaughter, Oakley Ann Boilatt.

Howard was a loving husband, father and grandfather. He was a man larger than life, making everyone feel welcome in his presence, and had a heart of gold. He was a friend to many and made every one of his family and friends see the humor in life, and was a great storyteller. We will miss his wonderful sense of humor and his infectious laugh.

He was a beautiful reflection of the love of God, through his acceptance of the difficult times in his life.

The family of Howard Ray Nail invites you to leave a message of condolence on the Tribute Wall created in his loving memory.

“ *Howard was my God Father. The Fondest memory I have of him was him taking his Daughter Jessica and I to Disney world at age 12 or so. He was the sweetest man, and Dad anyone could know. I saw him approx . A month before he went with our savior. He will forever be missed and very loved. Rest in peace Howard, you were an amazing God Father to me. He taught me what being a good Dad and Husband looks like. God has yet to make one as best as you! Love you forever!*

“ I met big H at SMM church in a small table group about 3 years ago. He immediately became a great friend. He could tell such great stories and make us all laugh. It is amazing how close I felt to him right away and could see and hear God through him. Thank you God for placing big H in my life to reflect your love and providing me with another angel. Rest In Peace. 🙏🙏

“ To Joan and Howard’s family,
I’ve known H since I was in High School, 1973. He was my 1st boss
and an amazing friend to me and my family throughout the years.
Although we haven’t seen H in many years, we were in touch
through social media. An amazing soul who will always be dear to
my heart. I’m so sad to learn of his passing. Sending much love and
prayer to the family. 💕

“ H.R. and I first met when we were both in our early teens, and it
seems that we bonded as friends almost immediately. We have
remained close as best friends for the subsequent 60 years. We
rode the high roads and the low roads together. He picked me up
when I was down, and I picked him up when he was down. H.R.
was a giant with a sweet and gentle spirit; and I like everyone who
knew him, will miss him. I love you, old friend, and I look forward to
seeing and talking with you again when I get there. I would like to
send my most sincere condolences to Joan and all the family.

“ HR was a dear old time friend of mine and my
family. He was a kind, consideration,
compassionate, and most generous man
ever. He had a great sense of humor, and
fortunately I had the pleasure knowing him.
Over the past several months we would talk and laugh and
reminisce about all the good and crazy times we had. He could
make me laugh all the time. God Bless you my friend, and we will
meet again someday.

“ I didn't know Howard for very long but I could see what a kind and gentle man he was. You could see by his smile the excitement and love in his eyes whenever any of the babies were around. He was loved by many and will be missed by many. Rest in peace Howard, you will not be forgotten.

“ *Howard was a gentle giant. I am so grateful that God connected us. I also thank God (and you, Joan) for allowing me to spend time with you both these past several months. I looked forward to each visit. I learned so much more about Howard and your life during those times. The love and faith you both have is admirable and endearing. You are beautiful people who I am proud to call friends. I love you both and like Howard said, “I’ll see you in heaven.” God bless you always. 🙏❤️😊*
