“ *Karen (Wingate) Henshaw - childhood friend to Buster posted a condolence Buster, Rose & Brenda, I was so sorry when Gilda told me about Rev. Thompson. I have only fond, wonderful memories of him during the time I knew him best - as a member of the church during my late teen years. What comes to mind immediately is his beaming grin and the pep in his step as he made his rounds Sunday morning. I believe that his heart and soul was in that youth group, and it didn't hurt that Buster was in the middle of it! He welcomed all of us teens with open arms and incredible love. He made a difference in my life. May he joyfully dance with the angels now. God bless you.*

“ *Kim McWilliams - Former member Clearview BC posted a condolence I thank God in remembrance of Rev. Thompson. As a child I attended Clearview and share the same birth day with Rev. Thompson. Every July 8th he would call me and we would share our birthday wishes and plans with each other. I'm much older now but still have fond memories of those calls. Thank you for sharing your husband and father with the church family. May God Bless you and keep you in His care always. In Christ Love, Kim(Kelshaw)McWilliams*
