“ Our classroom will never ever be the same without my lil man. I will miss that contagious smile that giggly laugh and most of all that face he gave me every morning when I went to pick him up. I have so many memories with him to share but so hard for me to write as the tears roll down my face and I write these simple little words about him.

You will always be my angel Hunter. love you buddy

“ If anyone would like to say a few words about Hunter at the service, but cannot make it to the service or does not feel comfortable standing up and sharing, please write what you would like to say down and the pastor or a family member will read it for you. Thank you.

“*My heart aches for your loss and his classroom will not be the same without his beautiful smile and never ending boisterous antics. I thoroughly enjoyed working with Hunter and seeing him make progress, especially with his language! Often we communicated using the play telephones! He always made me laugh. i pray you will find comfort in his precious memory and that the Lord will speak comfort to your heart both now and forever. Martha Reim/ESE Teacher*

“ Jason, Sam, Christian, Hayden & Amber,

*As members of the Congregation Care Team from Bayfair Baptist Church in Pickering, ON, and friends of Autumn and Josh, who attend our Church, we would extend to you our deepest sympathy. We cannot even imagine the grief and loss you feel. The sorrow and pain are probably overwhelming most of the time. Please be assured that we are praying for each of you that God's love will securely hold you through this storm, that His peace will fill your hearts and minds when questions and doubts assail, and that His comfort will sustain you in these days. Hold firmly to God and to each other. Together, you WILL be able to get through this. Also, please know there are other who are sorrowing with you but praying that you will experience the strength of the Almighty One, who will give you what you need to endure this experience for He has promised 'never to leave you or forsake you'. May God bless you.*

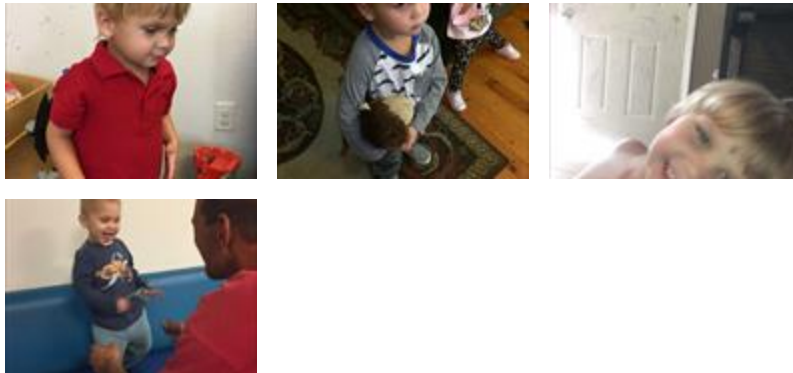

*Lovingly and prayerfully in His name,
