“ *Brandy & Brent, I worked with your Mom for 18 years at the old Humana Hospital in Daytona Beach. We were very close friends then and stayed in touch until just a few years ago. We went through a lot together at the hospital and we shared the lives of our kids with each other so I feel I know the two of you. She was a very devoted and loyal employee of the hospital. The Doctors and patients loved her as did the nurses working under her. She was a charge nurse for many years. We shared a lot of laughs over the years and also a few tears. I am so sorry for your loss. I know she was very proud of her family. Eleanor Ingoldsby*

Shelley,

I appreciate your thoughts and prayers during this difficult time. My mom was such an amazing person that the thought of not having her to talk to, cry on her shoulder, and laugh with is almost unbearable. Life is precious and we must love and cherish our friends and family every day because you don't know when God will call them home.

*With Kind Regards,
Brandy Rose & Family*
