“ *I met Taz & Glenda through Katrina's Cottage where my Mother (Barb) lived the last 1 1/2 years of her life. Taz was kind, caring and understanding. I am so grateful to have known him and our family will never forget his kindness and compassion. I am so sorry for your loss. When I met Glenda it was like I had known her my whole life. She is the one of the kindest people I know. I pray for her recovery. My deepest sympathy to the family.*

“ *Imtaz and I have been friends since he first came to Ny and started elementary school! And he is one of the sweetest humblest people I have ever met!! My dearest and fondest memory with him is when he first came to the class and they partnered him up with me and I had to as my teacher put it show him the ropes and help him because he didn't know anyone and didn't speak English too well but had a heart of gold. That first time in our class it started to snow and he never saw snow and was so scared and even cried and ran to the teacher but when I saw this scared little boy my heart broke and I walked over to comfort him he grabbed my hand tightly because he was terrified of what he was seeing I walked him over to the window and the teacher opened it so he could see the snow closer he still didn't trust it and cried more and I just wiped his tears as he squeezed my hand and I just showed him by catching snow flakes in my hand and pulled his hand out to do the same and he then realized it was safe and smiled. Long story short snow brought two friends close together forever and I'm truly heartbroken and will miss my dear sweet Imtaz forever!!!*
