“ Dear Aunt Irmodean,
Its little Ellie, I was so heart broken, when i heard that the Lord had called you home, I'm not sad because he called you home, because I know that was the place you longed to be is with him, I am sad because I was unable to visit you cause you lived so far away, I miss the yearly visits with you when you came home, I was always happy when daddy told us that sissy and Bill was on her way in. I do and always will miss those time we would all just sit and talk for hour and the dinners we shared, and when you would hold me on your lap even as a grown women that is where you would have me sit with you. I will hold these memories with me always. I love you, Sorry I couldn't be with you when you was passing, I didn't know where to find you (so heart broken). but I know you know this. I will always love you and carry you in my heart, tell everyone hi there for me until me meet again. Thank you Lord for another Angle to watch over us in this world.
