“ *Mi Madre Falcon, the sweetest most precious Angel and soul...How gifted I was to have you as my Mother in law. You always called me daughter and treated me as your very own. The memories of you I hold dear to my heart are endless. I'll be forever grateful to have shared a special part of this life with you and one day I'll see you again. Until then, I know you're being a guardian Angel in Heaven as you were on earth. Please hug my Mama for me, she's new there too. Always love you forever.*

“ *Isabelle touched so many of us kids growing up. She could cook some excellent dinners for us and teach us how to be a good mommy. We loved her as our own mother. We will surely miss her to no end but We do have peace knowing she is with our maker in Heaven and not suffering down here. My condolences go out to the entire family. I am praying for all of you through this hard time. Love you all dearly,*

“ *Ms Falcon could cook, she enjoyed cooking for others. I cannot speak Spanish ,but she was always cheerful. Seeing her at her son and Sabrina home for holidays was something I looked forward to. So sorry for your loss. Know she was loved by many.*
