“ *Beth & Andy Walker - Friends and Neighbors posted a condolence Our deepest sympathy to you all. It was almost ten years ago that I went over and introduced myself to Jack. Andy & I became quick friends with him and over the years that friendship evolved into him being like a father to us. Over the years we have enjoyed spending time with Jack and Doris and hope we made his last years pleasant ones helping him as much as we could. We will miss him and his wonderful sense of humor every day. Doris, we are here for you if you need us, just a phone call away. Love, Beth & Andy*
