*Jacob, my sweet boy, ever since the minute you were born, you were the joy in my life. Always happy, even when things weren't perfect, you would always say or do something to make life light and bright again. Now I have to learn to live without your sweet smile, and it's going to be a very rough and empty road till I can be with you again. My life is empty, my heart is broken, my tears are endless. You made so many beautiful and wonderful friends, you helped everyone you could, you had great skills and talents. Go with God, Jesus Christ, and the Holy Spirit, sweet boy. For you deserve the loving Blessings the Angels have saved for your return. Thank you for being in our lives, making us laugh, and seeing the love for life through your eyes, your beautiful, blue eyes.*

*Missing you, sweet son,  
Love you, Mom ❤️*
