I wish you were here and we could snuggle on the couch and you could show me one of your favorites. i knew them all by heart but I would watch them 100 times to see you smile. I miss your happy smile in the morning, your happy puppy clifford the big red dog bounce as you walked across the room spilling coffee out of your too full buffalo bills mug that Ashley and John brought you back from the football hall of fame. I have the mug and treasure it with all my heart. Mozuur and Alex miss you like crazy.. mo laid on your side of the bed for mos. and lost weight.i have went to the pond a couple of times but it's heartwrenching to be there but I light an angel candle and say prayers and left you somecandy and a card for valentines day but couldn't go till Easter morning... it was just too hard before that. I hope you are at peace and in the hands of GOD hangin' out with your Dad , aunt polly, aunt Linda,my dad, and especially Brenda, I pray you two are there hanging out with each other until I can come and join you. you changed my life forever,and left a hole in my heart that can NEVER be filled until I meet up with you again so you be good and wait for me O.K.? I really don't know how to live without you.. it's been almost 9 mos. and here I sit crying my eyes out over you. I 'm empty captain, and I salute you as you walk through the gates of heaven. I will go through life the best I can because I have to, I do it for my kids and the only comfort in that is knowing at the end I will be able to be sheltered once again in your loving arms as you envelope me in the love only you know how to give me. Please be happy and fly with the angels honey, as you deserve to do. I love and miss you eternally...until we meet again, All my love sent to you in heaven,your Blue eyes.XOXOXOXOXOXOXOXOXOXO*

“ Cheryl Diehl - Target friend posted a condolence Dinah: James was very happy when he came home from his Colorado trip last year. He spoke highly of the time he spent with you and your husband. I have a daughter with a permanent disability, and as a mother, I can imagine the pain you must be feeling. I pray that God will be at your side as you try to recover from this great loss. Rest assured that you were a wonderful mother, and will see James again one day. James said "Good Morning!!" cheerfully to me every day. We will all miss him. In Christ, Cheryl
