“*Fran, We were so very sorry to hear about Jim. I will never forget how kind you and Jim always were to Jennifer at the British Society meetings. She came, as young girl, and you both always had time for her. You never minded that this little girl was at the meeting. We all will miss him so very much. Please don't hesitate to contact us if there is ever anything we can do. Love to you and your family. You are in our thoughts and prayers.*
