“ I just saw this. Sorry so late. He was in my Kiwanis Club in DT Orlando for several years. I was probably the youngest member at the time. He and I used to eat breakfast at the Citrus Club! We also did community projects together. Even funny back in that time! God bless and RIP!

“ Jim was one of my best friends from elementary school until he passed. We did everything together - sports, listened to records, went to concerts, played pranks and double dated. After high school we went separate ways. We were both veterans of the Vietnam War. He moved to Florida and I moved to Wisconsin. We always stayed in touch. We could always make each other laugh. Jim handled his terminal illness with humor, kindness, courage & love. I will always miss him until we meet again. God Bless you Jim.
