“ My first memory of Jim is making coffee for him when I had no idea how. Lol. And then learning how to type the friday golf list up. I'm so sorry to hear of this. He was a wonderful person and I learned so much from him. My prayers are with all of you. Take care.

“ Carol please accept my sincere condolences for your great loss. He was a great friend. You can not appreciate all he did for the Friday group at CCo and 20 trips to Lake Tahoe as well as Las Vegas. He was a great organizer and friend to so many people. When I play golf I always think of Jim. He was more than just a friend. If I can do anything for you please let me know. I personally am saddened and will miss him so much. Best to you and family.

“ Dear Carol, it is with great sadness that I read of Jim’s passing. Even though our paths have parted I remember him as warm and loving and giving. Steve died in June so I know your pain. Much love to you and your family. Shyla Reich

“ Carol, I am so sorry to learn of Jim's passing. Although I haven't seen him for many years, I often have good memories of him visiting our office in Winter Park. It was always fun to chat with him. I send my heartfelt condolences.
