“ We would watch the game shows: price is right, jeopardy, &wheel of fortune every day. Jeopardys pretty hard to answer all the questions, but my papaws was a very smart man, and would answer almost all the questions right, i loved sitting in the living room with him trying to guess something that was normally the wrong answer, and he would have the answer. Sometimes, but not very often was he wrong but if he did answer wrong i would say, "oh close enough," and we would all laugh. I will miss him very much.
