“ *Jim and I got to know each other at work and found we thought a lot alike about many issues. We became friends. I admired him for his savvy about human nature and his sense of humor. I will miss our friendship but will always be grateful for our conversations. God speed my friend.*

“ *Mr. Doolittle and I worked together for the past 9 years enrolling employees into their insurance benefits. I so enjoyed hearing Mr. Doolittle's stories about his life and all the things he had done. I was so heart broken to hear of his passing and I hope the family finds peace knowing how much he was cherished and honored amongst all of his co-workers here at Aon. He will truly be missed.*

“ *I worked with Mr. Doolittle for the past several years at the Univers/Aon call center. He was a fine man that I had great respect for. He served our country with honor during wartime, and was proud of his Irish heritage. May God grant peace to the family. He will be sorely missed.*
