“ *Dearest James,
Well, we said our good-byes yesterday and you would have been so proud of your girls, they were truly awesome!! You may have been the "baby" of the family, but you were the most successful of all of us, the one we all looked up to and admired and loved dearly!! I am a little disappointed you never reached out to your big brother, but I'll get over it! Also, you weren't supposed to leave this world before me, it's not supposed to work that way. I promise you that we will look in on your girls, all of them, and keep an eye on things!! I truly miss you brother and is going to take some time to get over this, just cuz I love you so much!! Good bye bro, save me a seat, I'll hook up with you later. I love you!!!*

“ *Dear Jenn and Girls....We are just heart broken to hear of your loss. Jim was a beautiful loving spirit and so fun to be around. And such a handsome guy. It was always a joy to see how the kids just loved him. So very sorry, but know that he will be waiting and will greet us all some day on the other side. Love conquers all. Love, Aunt Becky and Uncle Michael Pollitz*

“ Rick, Branson and I send our love and deepest sympathy to you and the girls. We love you all and loved Jim very much. May God give you peace that passes all understanding. We grieve much because we loved so much. What a privilege. Trust in the Lord with all your heart and lean not on your own understanding. Proverbs 3:6
