“ *Gretchen Lathrop - friend posted a condolence Was devasted to hear of his unexpected passing. I came to be friends with him through Box Pearson and enjoyed many visits to his house. He was a great cook, especially with deer meat. I really enjoyed the meals and great conversation. He told many stories of his hunting expertise. His " Gator Days " were filled with lots of excitement. He brought home many deer with enormous racks. He was so proud of them. God be with Amanda and Taylor at this time of sorrow and to the rest of the family. Rest in peace Clay.*
