“ *Kent - Friend/Colleague posted a condolence Although I only knew Jim for the last four years, I truly respected him and found him to be an exceptionally pleasant, knowledgable and funny gentleman. The first thing I noticed about Jim was his impeccable dress; always with a long sleeve shirt and cuff links. He will be greatly missed. Aloha and tailwinds, amigo.*

“ *Bill & Triece Cranor - friend posted a condolence Jim and I began our relationship through our work but it quickly became much more. Jim is a highly respected leader in the aviation industry and he proudly and successfully represented his company while improving the efficiency of the National Airspace System. As a supportive, loyal and caring friend, Jim was there for all who he could help. Jim was a proud father and a man who loved his wife and he spoke of his family often. I will miss his counsel and advice. He was so wise. Jim my friend, thank you for being there and we miss you.*

“ Rob Buchanan - UPS Partner posted a condolence Dear Hamilton family, My deepest sympathy to you upon Jim's passing. He was a good man, and a good UPS partner. I will miss him too. But from a fellow believer, when we each are called home from this place, we do not have to say a permanent goodbye, it's just a "see you later". Jim would want you to know that. You will be in my prayers for God's comfort and peace.
