“ *The world has lost a terrific man that will always be remembered for his smile, jokes, and warm heart. As we all share stories of his life may we remember all the good times we had with him and how he touched our lives in different yet special ways. He had a way to always make you feel special ! I love you Uncle Terry so very much and will miss you dearly. All my love, Deb Clark*

“ *Though I didn't get to spend much time with my Uncle, I know he was loved and was a sweet man. A great father, friend, and grandfather. He always had a smile on his face, no matter how much he was hurting! I think I get that from him. He will be missed by many and it will take time to heal. May you rest and reunite with all our loved ones who have passed on and are waiting to embrace you with open arms!*
