“ *Lynn Allain - Niece posted a condolence Aunt Olga, Ray, Jerry, and Linda, I so wish I could be with you tomorrow. Uncle Norton was so much like Mother. I remember my very early years spent with Aunt Olga and Uncle Norton at Grandmother's house. I was Uncle Norton's little girl way before Linda was born, and I have wonderful memories of that. Mother always said that if anything ever happened to her and Daddy she wanted Uncle Norton and Aunt Olga to adopt Pat and me, because she thought they would be wonderful parents. Mother thought Uncle Norton was the ideal father, because she thought he was so much like their own father. I know Uncle Norton helped Mother so much with keeping her house repaired, and she loved the visits. I loved the visits from the Norton Jones both when I was a child and when I was an adult. Uncle Norton and Aunt Olga are a huge part of my earliest childhood memories, and they were all wonderful memories. What a lucky child I was. I know Mother and Uncle Norton are reunited now and forever. That gives me peace. I hope all of you can find peace in the fact that there was never a couple more in love than Uncle Norton and Aunt Olga and no better father than Uncle Norton. Bless you all, and I will come see Aunt Olga soon. I love you, Lynn*

Even though I am so far away, the sorrow is still so great. He and your Mommy taught me so many things in life and they helped mold me into the person I am today. I wish I could be there for everyone of you. Please know that I love you all, and that you all are in my prayers. Linda, I am only one phone call away! All my Love to you!
