

James Leonard Lange

November 16, 1954 - March 9, 2022

James Leonard Lange signed off on a great life March 9, 2022, after a long courageous battle with Multiple Myeloma. Jim was surrounded by his family at home in Apopka, Florida. Jim was born to the late Madeline and Joseph “Bud” Lange on November 16, 1954, in Brooklyn, New York. Jim was the youngest sibling to brother Edward Lange of California, and sister Maureen Parks (Alan) of Lake Mary, Florida. Jim is survived by his wife of forty-five years, Linda, and his pride and joy, daughter Jamie (Glen), son Jason, and granddaughter Harper. Jim is preceded in death by his son Edward Alan.

Jim had a special bond with his cousins, nieces, nephews, and his brothers and sisters-in-law. He loved being a part of their lives and distance could never keep them apart. Harper was his sunshine and he absolutely loved being her grandpa.

Jim was a member of the International Brotherhood of Electrical Workers (IBEW) Local 606 and worked as an electrician for over forty years. He had the opportunity to travel and work in many parts of the country, including Wyoming, Texas, California, Alabama, North Carolina, South Carolina, and Georgia. He built lasting friendships wherever he went.

Jim loved to laugh and make others laugh with his unique sense of humor, which was a treasure to all that knew him. He loved being with family and

friends and enjoyed camping, fishing, and just being outdoors. Jim was an avid baseball fan who enjoyed rooting for and coaching his son Jason and countless other youths. He enjoyed following the San Francisco Giants and was also an enthusiastic Florida State fan as Jamie and Jason are both alumni.

An adored husband, loving father, cherished grandpa, loyal sibling, reliable friend, devoted Catholic, accomplished electrician, and not-so-fashionable dresser he will be missed by all. A Funeral Mass will be held at Saint Mary Magdalen Catholic Church (861 Maitland Ave, Altamonte Springs, FL 32701) on 9 April 2022 at 10:00am. Following the Mass, from 1:00pm to 4:00pm, there will be a gathering at Jim's union hall at the IBEW Local 606 (820 Virginia Dr, Orlando, FL 32803). Dress is casual.

“ I am Rose Lauridsen's sister Gale. I live in Chicago but have been coming to Orlando for the last 30 years. The boys on the baseball team knew me as aunt Gale and were never surprised to see me. When I first came down there wasn't a decent pizza to be had (according to Chicago standards), so I would make calzones fo the boysp. When my trip coincided with team parents night I would help Rose cook. One particular time Rose's husband Ken asked me to make bracciole. He found the recipe and we made it. Jim really enjoyed them. A couple of months ago I came down and made bracciole and stuffed shells for Jim's family. It was a small thing but I was happy to do it . If it gave him gave him pleasure it was returned to me 10 fold. He was great man

“ As a brother and a friend, remembering seeing you at the hall makes me aware of how powerful our brotherhood is. It reminds me that what I believe in is the hard work and dedication of all of us, together. Thank you for being the man that you were. Thank you for being an example to all of us. Say hello to Gary for me. You will be missed until we are together again. Fran Lanier, Local 606

Oh Jim... dear friend, we are going to miss you. You fought a tough battle and keep on swinging. How lucky we were to meet through our kids and baseball. Jason became our third son and you, Linda and Jamie became our dearest family. Remembering stopping by and you always being busy in your yard taking pride in keeping everything manicured and beautiful. You showed us to take time to enjoy the simplest things in life. We enjoyed our baseball camp outs, getting together for a golf game and the many visits with you and Linda. We know you have earned your wings and flew straight to heaven because of the amazing person, friend, husband and dad you were here with us. We can't and don't want to believe it but know we love you and will forever miss your grin, your laugh and your friendship. Save us a spot on the bleachers for us up there buddy. God Love you!

“ As Jim's current neighbor, he will be greatly missed. I always enjoyed the conversations in our yards, his always positive outlook and great sense of humor. From weather, to politics and especially college sports, we never ran out of topics and always ended up having a laugh about everything. Even as a Gator, Jim was the only one who could happily get me to shout "Go Noles!", in response to a "Go Gators!" from Jim. I will miss you my friend.

“ Jim was a great friend of my family and I! We met him and Linda as we were neighbors for quite some time in Apopka. They were actually neighbors with my in laws for years prior before I moved in for a while with my wife and children at the time. I knew right away when I met Jim that he was a cool guy! I saw someone mention his unique sense of humor and unique it was, he'd have me laughing each and every visit together! He was just that hard working guy with a great head on his shoulders that as a younger man myself could definitely learn great values of life from. Not to take things too seriously and if he saw I was he always had a way of reminding me to do the same. He knew that life is too short and as we can all see once again it really is! There's so much more that can be said about him, but I will just say that he will definitely be missed. He would take the shirt off his back for anyone this I know personally and in my opinion he just had the right recipe, and set an example on how to live a good honest life! I admired it and always will! Rest in peace buddy!

“ Too many memories of Jim! The kids playing baseball with me coaching first and Jim coaching at third. Moonshine Creek. Jim conning me into throwing an opening pitch from the mound followed by “the one hop”. Jim always there if you needed anything. His look of total contentment at Jamie's wedding. And sitting on porches watching the world go by. One of the kindest, most generous friends a person could have! Save us a spot on the porch!

“ We met Jim and Linda when they lived in Casper Wyoming and became close friends and tried to keep in touch over the years . We did a lot of fun partying back in the day. Jim had a favorite old cream colored sweater he always wore, I think it had a stain of everything he ever ate or drank. We're going to miss him. He was a great guy. Our condolences to Linda And family. Goodbye my friend. Wanda and Ron Jonson. Alcova wy

“ I will miss Jim with all my heart. I enjoyed hanging out at Green Acres with Lee, Milton and Jim. Years later we both found ourselves fighting multiple myeloma. Linda and Jim would pick me up to go to the local myeloma support group. My heart hurts for Linda and the family. Jim was an awesome man with a good and caring heart. He will live on in my heart as he will in all his family and friends’ 🙏💕
