“ *To the family of Jim- My prayer for each of you is to hold on to your faith and have strength to help each other through this very sad time. I had the privilege of knowing Jim over the years as my Dixie carpet rep. I had a lot of respect for Jim. He was a kind, soft spoken, thorough, and helpful salesman. We spent half of our time talking about carpet, but the other half talking about family. He enjoyed sharing wonderful things about his wife and children. I cant even imagine the emptiness all three of you are feeling. My heart has been so heavy thinking about each of you every since I heard of Jims passing. I pray for peace in your hearts. Gone way too soon.*

“ To Michelle and Jim's Family: I am deeply saddened to hear that Jim has passed away. I worked with Jim for 14 years and unfortunately, only saw him about once a year. He was a mentor of mine and I learned so much from him. We were also roommates at almost every sales meeting. You and your family will be in my thoughts and prayers.

“ Over the years, I was always happy to have a visit from Jim. Invariably, it would always turn into a long conversation, first about the business of the day, but the lengthy part was talk of the family. Because our daughters are the same age, we had a special connection and he was so proud of both his kids and his wife. The world needs more good guys like Jim and is a less-bright place without him. Bes wishes to the family in finding a path forward without him. He was loved my many.

“ To the Loisel family,

My condolences on the passing of your husband and father. In the many years I knew Jim, he always spoke proudly of his family. You could see it in his eyes and his smile would light up his face! Jim was a pleasure to work with, a true professional and he will be missed. Sending love and prayers during this difficult time.
