“ *Mr. Jim was a very special man. He talked to me alot always trying to lead me in the right direction. Him and his family fed me and put clothes on my back during hard times. I will always remember him and the love he gave to me. Rip love nelson cardinal*

“ *My heart goes out to Jimmy's family and friends during this time. Jimmy and I worked together at Walgreen's Warehouse in the computer room in the early '80s. We had so much fun there! I enjoyed a friendship with Jimmy and Nicole and all of our friends during that time, which I am truly missing now. Jimmy had such a quick, funny wit about him and was always fun to be around. Although our paths went different ways and I have not seen him for years, he will always be a sweet part of my memories.*
