“*In loving memory of my husband, James Robert Middleton. We were together for 43 years. We raised 4 wonderful children who grew up and filled us with pride. They brought 3 of the most loving spouses, one son-in-law, and two daughters-in law who became part of our growing family. We were then blessed with 5 of the most caring, loving and accomplished grandchildren that made us so proud and filled our hearts with joy and love. You will be missed by all of us, but knowing you are at peace in heaven with our Lord Jesus helps us to understand and accept our loss.*”

“ Every person who talks about my Pa-paw has a funny story about him. Everyone mentions how they loved him, how he was such a nice guy. This couldn't be more true. He was willing to help anyone with anything, no complaints. He was the best grandfather a kid could have. He sparked adventure in me as a child during road trips, sparked my imagination when he would watch me play Mermaid in the swimming pool, sparked my humor when he would laugh with me to the tv shows I watched with him, sparked my joy when we would share smiles across the room at each other during family gatherings, oh how I will miss those smiles. I love you, Pa-paw. I can't wait for you to greet me in Heaven one day with a light punch on the arm and a "Howdy, Kid" -love always, your Pookie, Jordan 💕💕
