I have fond memories of the fun we had on my fishing trips with him and A.J. around the Tampa Bay area. Whenever he came to see his doctors, he always came by the Radiology Department to say hello. “ James Spruill - good friend posted a condolence I had the honor of getting to know Jim more than ten years ago and have to say he was one of the best men I have ever met. He was generous, funny, and as tough as an old lighter knot. He used to bring my family fresh vegetables from the fields down south and the best fish from his many fruitful fishing expeditions. He told me stories that made me double over laughing and which I will repeat as long as I live. I wish I could have been closer to him but he had a wonderful family and all the company he needed and I am grateful to have just been able to know him. I'll always remember Jim Parkhill. God bless him for all time.

“ Capt. Bill Miller - Friend posted a condolence To the Family of Jim, Debbie and I send our deepest condolences. Big Jim was a fine man and a good friend. I will always remember the fun we had fishing together. Jim could strum that line and tease those kingfish into biting. I loved his stories of "The Old Days" and the fish that were caught and the cast of characters that did the catching. Smooth sailing skipper! Bill and Debbie Miller
