“ My sweet childhood friend Jamie Michelle 
You were such a beautiful and kind person with the biggest heart and smile. We had so many fun memories growing up and I will cherish them always. Even through distance we kept in touch through the years and I loved watching you become a wonderful and loving mother to Luci and your beautiful family. You left us all too soon and I pray for your family for strength and comfort and send so much love. Jamie you were such a shining star and I know you will always continue to shine bright for us all to see. You are forever loved and will be missed my sweet friend- always and forever.  Lore Michelle

“ We are heartbroken to lose such a light to this world. As my son's Beta Club leader, Jaime taught him how to be brave and take risks. She cultivated a community that serves and loves others. Jaime had a great laugh and was so much fun to be around. I loved hanging out with her. We will miss her dearly. ❤️ May Jesus comfort those are are hurting right now.

“ Jamie was a SWEETHEART...Know matter what she had going on, she always had a smile on her face even if she wasn't having such a good day. She loved us all, and would go out of her way to let you know how much she appreciated us. She will be greatly missed, but her treasures will live on in the life's of people that she touched. So grateful for the time i got to share in her life. Our heart and prayers are with her friends and family.

“ Jamie was a “super mom” in the most generous, kind, humble way. I can’t count the number of times our family benefit from her help, support, guidance, and friendship. Her warmth, approachability, and dependability have been a constant anchor throughout our years at Champion! Thank you for the difference you made in our lives and our children’s lives, Jamie!

“ *The first thing I think about when I think of Jamie, is how incredibly committed and connected she was to Luci. She allowed her daughter to blossom on her own, exactly how she was meant to blossom. She didn't push her or rush her. She loved her exactly how God made her and encouraged her constantly.*

Secondly, I think of how she was such a HUGE part of our school. She had knowledge, enthusiasm and incredible work ethic. She worked around the clock to make sure everything ran smoothly. And she did it with a smile on her face. Everything from picture day, the talent show, Beta Club, graduations, PowerPoint presentations for parents, running plays and productions, colonial fairs, musical numbers...and I'm sure she did so much more! She never bragged or boasted. She just did it all with excellence.

She will be missed tremendously! She was very precious to all of us. One of my favorite memories I will treasure is how she she always said "my love" to me when we spoke. ❤️
