“ *My sincere condolences, as advanced age sometimes takes it tolls, he met those challenges with grace and humility. His smile was contagious, every time I saw his smile it was as if it were brand new and just for me. I am but a grain of sand on the beach where he walked, but will be forever impacted by the imprint of a single footstep on the path of his existence. vah svarg mein aaram kr sakata hai (I'm trusting Google)*
