“ Sue, Kathy, Tricia and Paul,
I don't know if you will read this because your mom has now been gone for more than 4 years now. But I was just thinking of her and googled her name and images. When I saw that smile I recognized her immediately. It has been years since we exchanged Christmas greetings with her and probably more than 50 years since we visited in person. Yet I still think of Janet often. Your mother was one lovely lady. In 1967 my husband Ralph was a new young lieutenant stationed at Ent Air Force Base in Colorado Springs working under your dad, Lt. Col. H. J. Tiernan. It was Ralph's first active duty assignment right out of college and we were newly weds a long way from family in Pennsylvania. Your parents opened up your home to us like family. We were welcome to drop in for a visit and often stayed to share a meal and just to enjoy some family time with you children too. I can recall vividly some of those times and the things I learned from Janet. When we moved into our first house in 1972 they passed on their dining room furniture to us. Your parents will always be remembered by Ralph and I for their generosity, thoughtfulness and for the life lessons we learned from watching them. To us exemplified what it meant to "love one another" in their roles as married partners, parents, and mentors. We were blessed to know them both. Rosemarie Gutowski

“ To Sue, Kathie, Paul and Tricia, Just heard today from Ann that Janet had passed away. I have wondered about her often, not knowing just where she was spending her last years, months etc. Since we are the same age, she was like a sister to me for many years but the years changed all that. You and your children will miss her but I am sure you took care of her when she could no longer care for herself. Our generation is disappearing and I wish we were leaving you a better world. Clyde and I are still in Gainesville taking each day as it comes. If you are ever near, stop by. I will be with you in thought tomorrow. El Imse Mast

Just to see her smiling face each day were a joy to me. Her smile made me smile each and everyday. My condolences to the entire Tiernan family~ Special memories of your Mom as we were in PTA together and I remember a few field trips, too. Always impressed with her cheerful nature! And still adorning my Christmas tree is an ornament your parents gave me many years ago. The memories linger! My thoughts are with you!

Sue, Kathy, Tricia and Paul: I'm so sorry about your mom. She was an excellent aunt, always interesting and welcoming when I saw her. I'm glad you had a lot of good years with her. I hope your memorial services are a comfort as you hear lots of her friends tell you their great memories. If you are ever in Denver, give me a call. It's been great to catch up as adults with other of my Imse cousins.
