“ Jason,
I wish we were able to spend more time over the past 15 years, but the miles between us and the hurriedness of life made it difficult. You saved my life and stood by me when you thought that I had died, a few years back. I will never forget. I will see you again, my friend and Nephew.

“ *My thoughts and prayers go out to all of Jason's family. No one will ever know why this happened. I trust that God will grant Jason the peace now that was missing for him during his short stay on earth. You were loved and will be missed.*

“ *I want to offer my condolences to the family and friends at this time. Losing a loved one is one of the hardest things to overcome. The God of the Bible Jehovah does not want anyone to experience the pain, sorrow and mourning your family is going through. That is why one day he will do away with death, and families will be reunited. Rev 21:3-4. Prayers of support, comfort and endurance are being said for the entire family.*
