“ *Sandy - friend/Lynch posted a condolence Jillian, Know that my heart breaks for you and the sadness and loss you are filled with at this time. The display of love and respect that so many people have for Jason and you was apparent today. The void in your heart can never be filled, but with time and the love/support of your family and friends, it will begin to heal. Jason was blessed to have you by his side, as were you to have your time with him. My thoughts and prayers are with you....you now have an Angel watching over you always. Jason will ALWAYS be with you, in your many memories and your loving heart.*

“ *Bill Lofgren - Neighbor posted a condolence The Lofgrens - Neighbors We lived several doors down the street and I never met or knew Jason personally. My wife spoke to him on the occasions of walking our dog when he was out. We were deeply distressed to hear of his terrible accident, leading to his untimely death. His family is in our prayers. “ *Deasie Beverly - Neighbor posted a condolence Deeply Sorry to hear of the passing of Jason. He and Jill made a lovely couple and were great neighbors. He always took the time to say Hello whenever I would pass by. I will miss Jason being outside at 6:30 in the mornings with his dog as I'm leaving for work. It made me feel he was watching out for me and my daughter. I'm confident he will still be watching. Jason's passion was celebrating Halloween. The work and time he put into decorating his home was unimagiable. Halloween will never be the same without Jason. As a neighbor, My heart is heavy not having Jason around. In his absence, "Walk By Faith, Not By Sight."*
