“ *Terry & Bev Schoch - friend posted a condolence Kathy & Family, I've know Jason since he was a baby & still cannot believe he has left us, way too soon. He & Steve surely are very proud of the nice service you put on for him. I understand that no one can replace our loved ones, but I am praying that God will wrap his arms around you & comfort you at this most difficult time. We will get together soon-promise! With our heartfelt sympathy, Terry & Bev & Jill*
