

Jason Rodriguez

December 31, 1979 - December 7, 2018

Jason Rodriguez, Born on December 31, 1979 at 10:22 PM of Daytona Beach, Florida passed away Friday, December 7, 2018 at 38 years young, Jason was born in Jamaica Queens, New York to Elizabeth Julia Sanchez. He leaves behind his amazing daughter Alanna Nicole Rodriguez and the elder in the family his Wella who is 94, his aunts Norma and Hilda and Uncle Louie, an older brother Juan Rodriguez and younger Sister Nicole Lopez, and his cousins Christina Duhmel, Lisa Walters, Rich Pena, Jessie Sanchez, Richard Contreras, Janessa Hernandez, Cynthia Hernandez, Jasmin Iglesias, Denisse Colon, Irma Narula, Jaslene Gonzalez, Denise Gonzalez, Nevaeh Hernandez and his niece Olivia Forde and nephew's Michael and Jacob Rodriguez.

Jason was loved by many, he was the one person to walk in a room and make you smile with a slick remark comment or facial expression, his sudden death has definitely has taken a toll on all his family members but he would want us to remember the positive and always smile as he did, Jason recently found love with Jada Rivera and her daughter Jaylah and they were in the midst of making plans for a future together.

Jason loved fishing, spending time with his daughter, his family, his dog, his friends and his boat! in honor of my amazing cousin and on behalf of our

family I thank Richard Contreras Damaris Contreras and Jada Rivera for sticking with him till the end.

We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.

It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.

You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.

Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.

“ Hey Cuz! Hard to believe it’s been 5 years half a decade since you left, so much has changed but one thing that hasn’t is the void of having you in our lives, I know you are taking care of everyone and you are guiding and protecting us.... My 55 was not the same without your morning text and Thanksgiving will never be the same without you checking in on the food every half hour!!! God Jay I know I’m not supposed to question but I always do especially you/val/mami please take care of them for me, and I know you are holding on to Miss Melody till it’s time to pass her off to Rich and D... i just wanted to let you know how much I miss you cuz! “ *I was Blessed to have met Jason when I helped my Daughter move to Daytona Beach, Fl. I found Jason to be a very kind, caring, & concerned man with a gentle spirit. He assured me that he would look out for the well-being of my daughter as she transitioned into her new surroundings. And that's exactly what he did. He became a very good friend to her...even mentoring to her when she just needed someone to listen. In the three years she's been living in Daytona, she has always spoken with great respect anytime Jason's name was brought up in our conversations. I can't express enough the depth of gratitude I have & will always have towards this amazing young man*
