“ Mami you left us too soon. Having spoken to you just 2 days before, it is hard to accept that you are not with us anymore. You have always been beside us from the time you got married. Your confident and jovial nature is something we will never forget. We thank you for all that you and mama did for us. Although you were far away, you always made a point to call us at least once a month. Now there wont be anymore chats. We miss you both. Thank you for everything and may you rest in eternal peace. Om Shanti,
