“ Jean was such an encourager for me. She believed in me and was always helpful and supportive, always and full of vigor and energy. Jean was my friend. I missed not being able to communicate with her and have always kept a photo of us in my family room. I look forward to meeting her again in heaven.

“ Mama Jean always had a smile on her face and she always had a very sweet disposition. We will always remember her Godly character and how much she loved the Lord! She was always looking for that day when Jesus would come and rapture all of us! She will be greatly missed and she is greatly loved!! We know that she is with her Lord and Savior even now, walking on streets of gold, all pain gone, in perfect JOY forevermore!! Rest in peace Mama Jean!! We love you!!

“ I am so very sorry for your family's loss. Mama Jean was a wonderful sweet woman and I know she is going to be missed greatly. I am glad that I got to go on the beach trip with her and be able to spend that time getting to know her more before God called her home. She was an amazing woman and you could just feel her love for The Lord. She is going to be missed by many, but I know she's happy and at peace with God now, which is all any of us could ever ask for. She will forever live on in our heart's and spirit's and one day we will all see her again as we walk in the presence of God. I will continue to pray for your family in your time of need. Much love and many blessings.

“ I am so sorry for your loss. I so wish I could be right there with you to give you a big hug and reminisce about your Jean with you. I loved the way Jean's face would light up when ever she saw me. I felt like I was her best friend and truly felt loved by her. She drove me a little crazy with her picture taking but I was always happy later to see the great moments she had captured. She loved dearly. And I love the way I saw you and George care for and love her so dearly. I am praying for your heart Stacey and George as you grieve this huge loss in your life. It will take lots of time, that's a reality. Enjoy reminiscing with all those around you about Jean. Do it often. Jesus, I ask you to pour out your grace upon this whole family as they grieve their loss. Comfort them with the comfort that You alone can give. Send people around them to love on them and help them as they grieve. Love you all.
