“ Our heart felt condolences for the family. I will miss running into Jean while shopping at Publix and catching up on what was going on in our busy lives. She had a gift of telling a funny story and the way she told it was funnier than what actually happened. The best story was about the possum in her front yard and the way she acted out the possum walking in circles had me in stitches. (I still laugh about that one) .

John loved Her accent and after the conversation with Jean was coming to a close...John would get the last word in and say “ you betcha”.

She had the best infectious laugh and a wonderful sense of humor. We miss her

“ My heart was very heavy when I heard of Jean’s passing. Our friendship began in 3rd grade when she moved to Milbank from Hecla. Even though distance separated us, we remained in touch through cards and letters. We shared the happy and the sad times that life brings. Jean had a quick wit and great sense of humor that kept everyone entertained! Her deep love for her sons, Adam and Cory, and their accomplishments were very evident in the letters I received. God took her from us way too soon and she will be truly missed. Jean was a beautiful, caring, fun loving, talented, smart gal who blessed me with the “gift of her friendship” that I will cherish. Love you, Jean. I’ll see you in heaven someday and we’ll do one last cheer for the Milbank Bulldogs! Rest In Peace, my dear friend!

“ I remember first meeting Jean through our mutual friend Inez. We played tennis with Jack and Jean, and my daughter Courtney babysat Adam and Cory when they were babies. I have always loved Jean. Heaven has a new angel.

“ I was in grade school and HS with Jean and we were good friends. She would come out to the farm where I grew up and I would stay at her house in town. When I saw her many years later at a reunion I'm glad I told her that she was one of my favorite people because even though she was beautiful her entire life, she never made anyone feel that she was better than they were. That's a character trait that she got from her parents and I am sure she passed down to her children. Gone to soon. We will miss her this summer at our HS class 50th reunion. Rest in peace Jean!

“ Jack and boys, we are so so sorry for your loss. In 1990 we moved in as neighbors to you from Canada and we will never forget the kindness that Jean showed us, in part by giving us a tour book of Florida, but mostly by her welcoming words. Then over the years she put up with all those homeowner's meetings at your home, without showing anything but a welcoming greeting. Please accept our condolences.
