

Jean Alice Goodhind

April 10, 1949 - September 4, 2023

It is with profound sadness and heavy hearts that we announce the passing of Jean A. Goodhind on September 4, 2023. Jean departed from this world as she lived in it – surrounded by love.

Over 30 years ago, Jean embarked on a new chapter of her life when she moved to Hawaii. It was there that she wove a tapestry of experiences, memories, relationships and fully embraced the island's Aloha spirit. Hawaii wasn't just a home for Jean; it was an embodiment of her spirit – vibrant, warm, and welcoming.

As time passed and the tides of life shifted, Jean found herself spending her last months in Florida. There, she was enveloped by the steadfast love of her family. Their stories, shared meals, and comforting silences were a source of immense strength and joy for Jean in her final days. Jean's legacy is one of love, connection, living life to the fullest, and the magic of finding home wherever we are.

She will be deeply missed but forever remembered by all those who had the privilege to know and love her.

In lieu of flowers, donations can be made to The American Cancer Society, an organization close to Jean's heart.

A celebration of Jean's life and park bench dedication will be held at Waialae Iki Neighborhood Park, Honolulu in early January, 2024. Date/time to be announced.

“ I'm saddened by discovering Jeans passing. We became friends during the time she lived in Ct and kept in touch for many years. I visited her in Hawaii. I've thought of her throughout the years since but couldn't locate her. She will always have a place in my heart RIP my friend Merideth

“ On behalf of our pickleball family, I'd like to extend our heartfelt condolences to Jean's family. She was a good friend to many of us, who gladly volunteered to become the ambassador of our courts for many years. Jean was welcoming to all Old and new players. She always came with a positive attitude, and was always fun to be around. We'll miss the happy times we spent with her playing pickleball and mahjong, going to the movies, attending local events, and traveling (and not to mention having a few drinks together).

We will all cherish the fond memories we had with her, and will continue to have her in our hearts.

“ Auntie J, I'm super thankful for all the amazing memories we shared. You sparked my love for travel and constantly encouraged me to be the best version of myself. There's no one else I'd rather wear matching PJs and funky glasses with on Christmas.

I know you're watching over us. We love you so much❤️

“ *A soul taken too soon. Jean was full of life, ready for adventures and great memory making moments. She was generous to host me during her new beginnings in Hawaii and did it with such passion for the land, as if she had been there her whole life; it called to her. She, her family and myself shared wonderful, silly, festive, full of laughter moments during her Holiday visits to Florida. She loved her sister, niece and nephew so dearly; she is missed now and most surely it will be felt come the holidays. I know Jean is soaring over Hawaii and Florida, leaving little droplets of love for all of her favorite souls still in this world. Fly free Jean. You are missed.*
