“ *Eileen Strickland and family - friend posted a condolence Jean was lovingly referred to as "Miss Jean" in our household. She was an incredible babysitter to our two children and many others in our neighborhood in Feathersound. My kids adored her! It is a true loss, but I spoke with Jean this summer and she had an incredible outlook on her life and her prognosis - one I know she lived by all her life. Please accept our sincere condolences.*

“ *Gietzen Family (Donna) - Neighbor posted a condolence Jean will never be forgotten in our family. She would come down and have Holiday dinner with us and we would always enjoy having her. There was never a dull moment with her around. Always in high spirit. You will be missed very much*

“ Yvonne Mongan - friend posted a condolence We were actually co-workers from Morton Plant Hospital, if this is the same Jean I knew. She handled cash reimbursements whenever we had spent our own money on supplies or some such, & she'd open the bottom drawer & dole it out. I was not a close friend, but appreciated her professionalism & dependability. I retired in 2002 from Radiology. By then the office to get reimbursed from was moved across from the Gift Shop & near Nursing Administration. Jean must have retired before that, but I don't recall. Jean Lyon isn't an uncommon name, so I may have the wrong person entirely. If this is the Jean I know, sympathy to her family.
