“ Well mom, dad is home with you and Jesus now. I know how much you have missed him. You probably have your pencil and note pad ready for messages for him. I know you know how much I loved our family Sunday dinners with dad rubbing his hands together as you both smiled while listening to me. I know you both are smiling now as you're reunited. I love and miss you both just as much now as the day when we all hugged and said goodbye 11 years ago. I know you are both with Jesus smiling and happy for there is no sorrow in heaven.
