“ *Mrs. Hand was a remarkable woman. She was determined, strong, and intelligent. She & her family lived by us on Gaines Way in Winter Park. She endured a lot by doing so. Between her 2 boys and 6 of us, taking us to school was always a challenge. Between snakes and Caiman (Crocodile) the short car ride to school was always entertaining. They always managed to get out of the sack we were trying to "sneak" them in.*

She often couldn't find the sheets from the beds. It seems they made great 6 - 7 foot tall kites. A camera was attached and took pictures of the neighborhood. An amazing undertaking for the time.

All said and done, she lived an amazing & full life. No more pain, loneliness, and missing her husband of nearly 65 years.

May God Rest Her Soul.
