“ *Jeanne was my mother-in-law back in the 1970's..., and I couldn't have asked for a better one.*

She was a wise and gracious family "matriarch" who was lovingly kind, with an enduring patience that was surely tested at times. Kathleen, & I were blessed with her generous support & understanding during our early years together..., and afterwards as well.

And she was an wonderful grandmother to our son Justin!

Looking back..., I fondly remember untold hours of friendly evening games of Canasta or Yahtzee with Jeanne, Kathy & Donald..., at their quaint little corner kitchen table. Jeanne had a peculiar habit of slamming a card down on the center of the table, then flipping her hand over and slowly drawing it back in order to create a most dramatic spectacle. It was hilarious!.. and all the while Donald would entertain us with philosophical musings or recollections of his colorful past. Then there were the seemingly endless slide shows of their vacation trips to Disney World, Bock Tower, Winter Gardens, Camellia Gardens, Azalea Gardens, Garden Gardens, etc., etc., etc. And what earth bound mortal could ever forget Jeanne's "special occasion" Swiss steak dinners. Simply put...They were awesome!

Over later years, Jeanne's acceptance of my new wife & family was a certain testament to the Godly "openness" of her character. In retrospect; Jeanne had revealed to me early on..., the calm countenance of a faith in God that guarantees eternal life to true believers.

I look forward to seeing her again!

In closing, Sandy & I want to offer our utmost condolences to Jeanne's surviving friends & family... and may God bless you "TC" for your steadfast love & sacrifice in Jeanne's later years.

Sincerely, Stan & Sandy Hall
