October 3, 1956 - April 7, 2019

Jeffrey A. Bunca, 62, has passed away in Orlando, FL. He was born in Plainfield, NJ, to parents Andrew and Josephine Bunca. Jeff was raised in Middlesex, NJ. He was a Hub Supervisor at Newark Airport for Continental Airlines and worked for Village Office Supply. After relocating to Florida in 2003 he worked for ICEE, CT Transport and Florida Hospital in Materials Management in Apopka, FL.

Jeff was an avid history and aviation buff. He loved the beach, his pool, flying, boating, and driving his 1991 Corvette. He served for many years as President of HOA #5 and took great pride in that.

He will truly be missed for he had a great sense of humor and always made people laugh. Enough cannot be said about Jeff, his spirit is larger than all of us put together.

He is survived by his beloved Wife Patricia Tavella-Bunca, Sister Judy Darcy, Brother-in-law Wayne and Nephews Andrew and Kevin.
