Jeff was an outstanding athlete at Millbrook High School between 1957 and 1961 and was

elected to the Millbrook Athletic Hall of Fame in 2012 along with his two brothers. He went on

to star as a running back and defensive linebacker at DePauw University between 1961 and

1965. While a student at DePauw, Jeff was a member of the Phi Gamma Delta Fraternity, Lambda Chapter. After college Jeff served in Korea with the military for two years and then started his business career in Chicago, Illinois. He moved to Houston, Texas in the 70's and became Vice President of Sales and Marketing for Telerent Leasing Corporation where he was employed for over twenty years before moving to the Orlando, Florida area in the same capacity.

After retirement, he became very involved with Lake Mary High School athletics, serving as a girls' basketball coach for several years (the students called him "bubblegum man" as he kept a supply for everyone) and a key fund raiser for the athletic department. Jeff also maintained his close association with DePauw University serving six consecutive years on the University's Alumni Board of Directors, making significant contributions in that capacity. Jeff was an avid reader and sports fan. He enjoyed playing soccer, golf, horse racing and Fantasy Football. His passion in life was his love for his family and friends from his high school and college days and was the communication link in keeping them all together and in touch with one another. Jeff will be greatly missed and remembered as a wonderful friend, loving father, and endeared brother. His immediate family will hold a lakeside gathering to spread his ashes on Timberlake in

Raleigh, NC, where he grew up and his family lived for over 50 years. This will be followed by an Egg Drop Soup Club luncheon for friends and family members to honor Jeff's long association with that group.

“ Jeff was an incredible guy. We were so lucky to attend DePauw University with Jeff. He and my husband Bob were best friends and Jeff served as best man at our wedding. Talk about a glue - he had so many friends at DePauw University and was the glue which kept us all connected.

We will miss his recollection of people, dates, places etc. Now whom are we going to ask about certain functions we may have forgotten???

He fought so hard and we were so hopeful that things would have a different outcome.

Rest in peace Jeff. You had a great life and will be missed. Betsy Holland

“ Jeff was the glue that held many Millbrook classes together and he will be missed. I was in Eric’s class, so Jeff was like the older brother, big football star, and big man on campus, but we became Facebook and email friends these last few years. I appreciate the man he was, and I send many prayers to the family. Becki Buffaloe
