“ I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is done. Irish Poem

It has been more than a week since the passing of our dear friend Mark. I'm finding out that this pain will never go away. I have never met a more kind, gentle and funny person than Mark. He had a unique mix of style, grace and class I am proud to have been his friend for fifty plus years. Special thanks to Jan Fowler and Bill Darby for all they have done. Thanks to Mark's many friends from Florida their comments and love will never be forgotten RIP my Brother. Greg Hathaway and family

Thinking of my friend Mark... You were the nicest most passive people person ive ever known. Youve helped me so much in the last 20 years doing business. You were the best. Still reeling from the shock of your demise.... Cant seem to understand how such tragedy could happen to a great person. There are no words that can give solace to your family... I pray for understanding and courage during this grieving time. You will always be remembered for your unyielding calmness.... All my prayers..... Al
