“ I met Jenny through her husband Antonio, he was a receptionist at Advent Health Hospital for 25 years, I worked along side him as a volunteer. Once I met Jenny I realized she needed help at home. So for the next 11 years. I helped her at home. I used to take my 3 year old granddaughter Katie with me. Her and Jenny would play hide and seek in their trailer home. If you can imagine Jenny in a big wheelchair trying to hide! Believe it or not Katie found her every time. It was a bit harder for Jenny to find Katie, but they had lots of fun together.
