“ Jen was my best friend in 11th grade and I couldn't have asked for a better one. We had so much fun together and she could always make me laugh. She was so sweet, when we had sweetheart day at school, she got me a carnation. I still have it in my scrapbook 31 years later. Once when my feelings got hurt, she sent me a card apologizing. I miss her to this day and wish we'd kept in touch. RIP, Mau-Mau, until we meet again 🌻

“ Chris, daughters, and family: With the loss of someone that you love, I know that it is times that we wonder why, but God may have in need of another angel in Heaven. May God bless you in this your time of need. This void is vast now, but with time He will fill it with His love.
