“ Gregarious and talented in many ways. We were cousins from afar. All the best to his family who he loved dearly.

“ Jerry and I and his friend Ray Keith spent some time as close friends during our Army Rotary wing pilot training at Ft. Wolters TX and Ft. Rucker AL. He was one of my best friends and I was proud to have served with him and Ray. A few years back, I was honored to have spent an afternoon with Jerry, his wife Jody and his friend Ray when they visited St. Augustine FL. I think of him often but know he is in a better place, and believe he must have a new set of wings by now. May God Bless him and his family. I thank God for having known him. A great man and dedicated Professional Army Aviator who continued to serve our nation by working with Military Aviation contractors most of his life. I will never forget our friendship and the time we served together. I thank God for Jody who supported Jerry during some tough times. Sincerely, Ken Scher, CW4 retired.

“ As the oldest of the cousins, Jerry lead the way for all of us. On a trip my family took to S. Carolina or Florida, we stopped overnight at Jerry's in W VA, I think. He had a waterbed-this was in the early 70's- Mom, Dad, and I slept on it because it was such a novelty!

“ As my cousin, I knew Jerry as a young man growing up in West Virginia, just before his service started. He was always happy and kidding around. His smile was as long as the day. That whole family was a lot of fun, and I think you can trace that to his parents enjoyment of life. I'm sure the people around Jerry/Jerome will miss that.

Jerry, I regret we grew apart and we didn't get that chance to talk about hops and peppers, something apparently we both enjoyed. My thoughts are with those family and friends who were able to live life around him, and for the loss they feel now.

“ I one of my favorite memories is all outside of the mama's backyard or front yard. I guess by the meditating tree I'll spread out talking bullshit and smoking and drinking jack and playing guitar. I love that.

“ *Jerry and his wife, Jodi, were once good friends of mine and Jack's. Jack died and I lost track of Jerry. He was a lively person with many interests who loved his family. I admired his military service and he played the guitar so beautifully at church.R.I.P. Jerry. Condolences Jodi and family .*
