“ Dear Pat and Family,
I am sorry to learn the passing away of Jerry Mysliwiec only just now. Those of us who knew Jerry when he was the Managing Director (MD) of Motorola Penang have very fond memories of him. He was a caring and approachable MD. May God bless his soul and God bless you, Pat and your family.
Regards. George Seow and the ex Motorolans of Penang. -

“ Our deepest sympathy and heartfelt condolences go to Pat and the Mysliwicz family.

I first met Jerry in Penang where Jerry was the Managing Director of Motorola there. In Penang, Jerry endeared himself to his employees. At the end of his tenure there, his employees gave him a rousing send off by chartering a ferry boat for his farewell party... something unheard of. That is the measure of respect and love that they had for him.

There are not enough superlatives to describe Jerry, the man that I have respected and admired. To my family and me, Jerry has been our benefactor and we will forever be grateful. To me, Jerry was a mentor and friend. To my wife, he was caring, considerate and inclusive. To my daughters, he was Uncle Jerry ... always kind and generous.

Jerry has touched the hearts and made it better for all who know him. A giant among men.

Jerry will be fondly remembered and will always have a special place in our hearts.

We will miss you.

“ My deepest sympathy goes out to you...my family! Jerry was a good man and excellent provider who cared for and loved his family very much. I will miss him! He always knew how to make me laugh even if I was upset.

He loved all of his grandchildren with all of his heart. His face would light up with joy with every new picture given or visits shared.

To say Jerry was a strong man is an extreme understatement. His perseverance through any challenge before him was impressive (to say the least).

He was a very strong and passionate man whose convictions were unwavering. The world could use more people like, Jerome Mysliwiec. He will be remembered honorably and sorely missed!
